How it works: Earn with every eligible product purchase

As part of the Envu Horizon Annual Rewards program, purchase qualifying Envu products across the pest and lawn portfolio throughout the year to build your tier level and multiply your earning potential.

All qualifying purchases made by eligible lawn care operators and pest management professionals through authorized distributors or agents earn tier credits (ranging from 10–10,000 per unit) that contribute to your tier level. As your credits increase, your level rises and acts as a multiplier on rebates earned from eligible products.

Explore your rebate potential with the [rewards calculator](#) on Envu Horizon.

Tier Level Rebate Multiplier	1x	2x	3x	4x	5x	6x
Tier Credit Ranges	2,500–4,999	5,000–14,999	15,000–29,999	30,000–59,999	60,000–119,999	120,000–199,999

*Offerings may not apply to all segments and are intended only for PMPs and LCOs. Exclusions apply. Check with your Envu or distributor representative for more information. **Horizon Annual Rewards potential represents the minimum rebate if Tier Level 1 is reached. Your tier acts as a multiplier. If you reach Tier Level 2, your rebate = 2X in Annual Rewards, etc. See Horizon Annual Rewards program for full Tier level details. **ALWAYS READ AND FOLLOW LABEL INSTRUCTIONS.** Environmental Science U.S. LLC, 5000 CentreGreen Way, Suite 400, Cary, NC 27513.
