

envu™ Professional Pest Management

Tougher on pests. Easier on your wallet.

SAVE
BIG

Three aerosols. Three ways to save this summer.

The high-impact versatility of the Envu line of aerosols knocks pests down for the count, keeps every crack and crevice covered, and delivers long-lasting control where your customers need it most. And this summer, we're bringing you more than extensive coverage – we're also bringing you exclusive savings.

CB-80®

INSECTICIDE

- + The industry's premium flushing and contact aerosol for knockdown and kill of cockroaches and 20 other pests
- + Ideal as a space or crack and crevice spray
- + Features 8:1 synergist to pyrethrin ratio, making the pyrethrins (fast-acting part of the formulation) work faster

SUSPEND®

Contact & Residual Aerosol

- + Rapid knockdown with results in 30 seconds
- + Long-lasting residual control for up to 18 months against German cockroaches and Argentine ants*
- + Nozzle technology allows the product to be applied exactly where it's needed

D-FORCE®

INSECTICIDE

- + Long-lasting residual to maintain control
- + Broad-spectrum, crack and crevice residual solution for effective control of 40+ pests
- + Contains the active ingredient deltamethrin, a residual proven to last up to eight weeks
