

New fungicide. Triple the value.

Fall disease pressure is predictable – your control strategy should be powerful. Fame® SC fungicide delivers fast, reliable protection against 11 major turf diseases, making it a go-to solution for both foliar and root disease control.

- + **Rated 4/4 for Microdochium patch and pink snow mould in the PPA-1 report**
- + **Strong performance on take-all patch**
- + **Pairs well with other actives for powerful snow mould control**

From August 5 to December 15, every dollar you spend on Fame SC counts triple toward your 2026 Stressgard® Advantage Club qualification.

For every 1 unit purchased, you'll earn up to \$3,600 in SAC qualification dollars, depending on your current tier.

Talk to your Envu Territory Sales Manager to learn more and order today.
